ANKAM WATER PARK EQUIPMENT

is a young and dynamic company, formerly known as Ankam Corporation, incorporated in 2012. With over 20 years of collective experience in the water park ride manufacturing industry, we specialize in designing customized solutions tailored to our clients' unique requirements and space constraints. We're not just builders — we're experience creators. Our products combine innovation, safety, and value, delivering thrilling, high-quality attractions that leave a lasting impression. Every ride we manufacture meets international safety standards, including EN and ASTM, ensuring world-class reliability, durability, and performance. At Ankam, we're committed to exceeding expectations — transforming ideas into unforgettable aquatic adventures.

Ganesh Ankam
Managing Director

WE BELIEVE

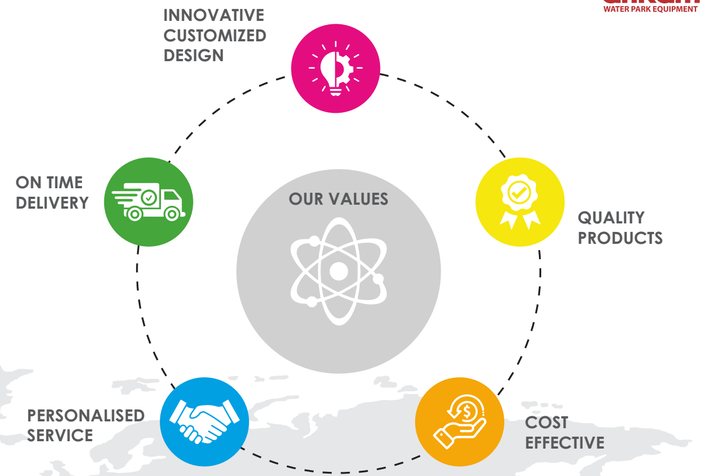

- Safety comes first.
- Focus on the User, and success will follow.
- Customer - Centric values drive everything we do.
- Great Isn't good enough - we push for excellence.

VISION

- "To become the world's most innovative entertainment company—crafting extraordinary experiences that move people, ignite imaginations, and connect communities worldwide.

MISSION

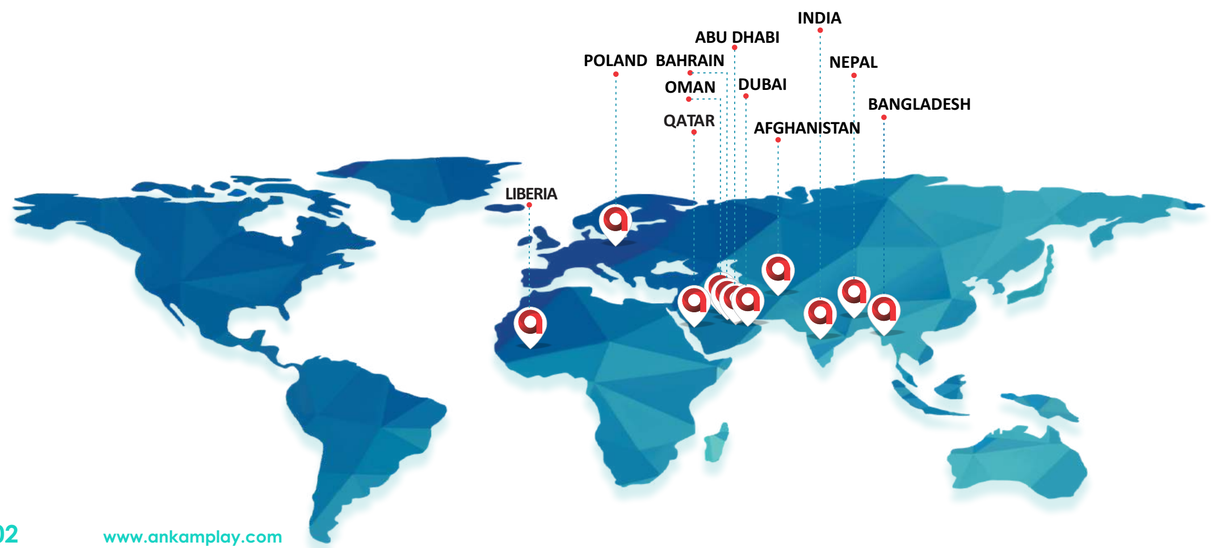

- "We design and deliver next-generation attractions and immersive environments that inspire wonder and bring people together through play.
